

Accessing the Church Directory

To access the online Plymouth Church directory, there is a smartphone app called Church Life. Here is a link with information about downloading, installing, and logging onto the Church Life app: <http://tinyurl.com/y9m4l93r>

For the app, you'll use the same email and password that you use to get to your Plymouth account from the website.

Speaking of the website, you can get to members' contact information there as well:

Go to our homepage (<http://plymouth.org>), scroll to the very bottom of the page, and click on "Member Login" at the lower left. In the window that opens up, enter your username or email and password.

That will bring you to your account home page. At the upper right, there is a Search box. Enter the name you'd like (you can enter just a few letters into the search boxes, or just a last name) and click Search, and you'll get a list of all the names that match with address, preferred phone and email.

Enjoy connecting with your fellow members of Plymouth!
